In order to maintain an active license for Kentucky operations, I agree to keep records supporting the figures shown on the quarterly tax returns. I shall maintain the records for a period of 4 years from the date of the return or the date I filed the return, whichever is later. All returns are subject to audit by the Transportation Cabinet. The records consist of fuel and mileage records as supported by Kentucky Revised Statute 138.680.

- **Over-the-road purchase receipts must contain:**

- **Bulk-fuel purchases/withdrawal information must also include:**

Purchase records substantiating tax was paid on all taxable fuel disbursements ♦ Date fuel was placed in vehicles ♦ Number of gallons withdrawn ♦ Unit number of vehicle in which fuel was placed ♦ Bulk-fuel reconciliations be maintained

- **Mileage records must be kept on all qualified vehicles on an individual basis. An acceptable source document must include:**

Taxpayer's name ♦ Date of trip (starting and ending) ♦ Vehicle unit number and, if applicable, the vehicle's fleet number ♦ Trip origin and destination (including city) ♦ Routes of travel ♦ Trip beginning and ending odometer reading ♦ Total trip miles ♦ Record of off-road mileage

NOTE: If driver's logs are the primary source document for mileage records, they shall be maintained for the 4-year period. Failure to maintain records can result in license cancellation and assessment based on the best information available to the Transportation Cabinet.
